**Industry Best Quality & Service, Now Delivered From New Location**

As one of the founding companies in the metal hose industry, UMH has been the #1 choice for strip wound interlock and custom corrugated hose assemblies since 1942.

Due to our relentless desire to achieve the highest levels of service and product quality we have recently been able to increase our number of product offerings and expand into a new location within a suburb of Chicago, right off of I-80.

**OUR NEW ADDRESS:**

**17111 Wallace Street  
South Holland, IL 60473**

**One-Stop-Shop**

Universal Metal Hose Company now manufacturer's Anamet metal hose products as well as Anaconda Vibration Eliminators. Please see our "DID YOU KNOW?" section below to learn more about this product before the next time you purchase!

In addition to the new Anamet and Anaconda products we now provide, UMH also manufacture's and offers a wide variety of strip wound interlock flexible hose, wire braid (in many sizes, configurations and materials), Stay-Put directional coolant hose and customized corrugated hose assemblies-built to your exact specifications!

Please give our experienced sales staff a call, our new location has helped us become even more competitive than ever. Universal Metal Hose Company truly is your single source manufacturer of metal hose products combining the industry's most extensive manufacturing capability with a quality system which fully conforms with ISO 9001 requirements.
