**Winter Weather Leads to High Tar & Asphalt Hose Demand!**

As one of the founding companies in the metal hose industry, UMH has been the #1 choice for strip wound Inter-Locked & Square-Locked tubing and custom corrugated hose assemblies since 1942.

Spring is the time of year to repair all of the damage Mother Nature has caused over the past several months. The weather is now changing and the road surface repair is about to start!

Fortunately, UMH is the nations number 1 manufacturer for tar & asphalt hose and we would love to remain your supplier of choice again this year.

Universal Tar & Asphalt Hose (series U-165) is made from galvanized

steel strip interlocked with silicone fiber packing. This hose assembly will handle temperatures up to 450 degrees Fahrenheit and vacuum down to 50 psig. Standard hose ID sizes range from 1" - 4" diameter and can be ordered up to 50' long. Please contact our factory or local representative for additional information.

Our reliable, time proven products are ready to be shipped now to handle your toughest applications!

**Why Wait? Call us today to find out more about these hoses from our experienced sales professionals—UMH strives to exceed all customer expectations!**

**THE UMH ADVANTAGE—DID YOU KNOW?**

**Featured Product:**

**UMH Tar & Asphalt HOSE**

**Pricing for UMH Tar & Asphalt Hose is based on the hose length, can be ordered up to 50' and is available in 1", 1.5", 2", 3", & 4" hose diameters.**
